Spring 2020

First and foremost, we hope you are all doing well and staying healthy.

Although many activities from our calendar have been cancelled due to the requirements of social distancing, we want to assure you that program planning continues.

Intergenerational support is more important than ever to protect our communities and reduce the impact of COVID-19 on every generation. If you have not already done so, we encourage you to reach out to someone you know who may be in need of some assistance (grocery shopping, technological assistance, or just a phone call to reduce the loneliness) and do what you can to help.

What is the first thing you'd like to do after social distancing comes to an end? What are the activities you miss most? Are there any activities you thought you couldn't live without that, it turns out, aren't much of a loss?

We'd like to hear from you!

Email your story to webmaster@offthepews.org to be shared on the Off The Pews Blog.
